Camp Guide

This is a guide for all you new campers coming to the awesome JFK/Lovell Summer Camp. I can pretty much promise that you will have a very good time, but if you follow these rules your stay will be "excellent". Brace yourself because here they come:

- 1) If you want to minimize irritated counselors and lost property (nobody steals things in this country) bring no more than 25% more than what they post on the pack list.
- 2) To have even more fun on the hikes bring a 1L water bottle and do NOT use one of the steel Swiss army ones. They break way to easily.
- 3) Be good friends with the legendary Mr. Jack (the cook at Schönried) if you do this you can give him "advice" about what to cook next. And his cooking is the best since JFK's last meal.
- 4) Try to save your money. For example: Instead of buying ten tons of candy when you're shopping in Gstaad save your money and spend it in the electronics shop in the Coop or in the bigger cities like Bern.
- 5) If you want a chance of being the camper of the year be generally nice to counselors and other campers. You don't want to be the one who always sits out on stuff, even if the things are scary. Trust me on this one.
- 6) Last but not least: Always do your best to HAVE FUN.

My 1st Summer

Hi! My name is Carina. I'm from Romania and this was my first time at JFK and it was awesome, even though I was worried I would miss my parents, it didn't actually happen. It is a unique opportunity because I met new people from all around the world, had a great time and improved my English skills.

Our teachers are very, very kind and we learned many interesting things from them. The best days were when we went rafting, to the Aquapark and of course shopping in Montreux.

So, I will never forget this summer because it was amazing and I had a great time.

Carina, Romania

Language Class

English 4 is the highest language class. It is for more advanced English speakers. There were four people in English 4 this year. Our teacher is called Ms. Theresa.

On our first day of English 4 we talked about class rules and we put them down on a board. Some rules included "speak only English" or "respect your classmates". Some were strange, like "don't burn down the school house", and some had no use like "thumbs up or paws down". After that we talked about what we wanted to learn in English 4 this year. Then Ms. Theresa introduced her point system. For every game you win, you get 2 points, for every question you answer well you get 1 point and every day a student is declared 'student of the day' and gets a star which is worth 5 points. The person who gets the most points gets an "excellent" in language class at the award ceremony. After that everyone picked a book from the library so that we could do reading, writing, grammar and games every day.

After all, English 4 with Ms. Theresa was a lot of fun and everyone enjoyed his or her time in language class.

J'Adore Lovell Camps

Je m'appelle Mohammed. Je suis dans le camp JFK/Lovell Camps. J'aime les sports comme le basketball, football, et le rugby. J'aime le rafting et les groupes d'intéressant. J'ai choisi tennis et cuisine. Je fait la natation dans la piscine. Puis je mange le dinar a 6:30. J'adore être ici a Lovell Camps.

Je m'appelle Ryan. J'arrive à JFK chaque matin je joue au basketball avec mes amis. Après nous allons faire nos leçons de natation. Le rafting était vraiment amusant. Le cuisine de Mr.Jack est très bien. Mon activité préféré est le rock climbing. J'aime aussi le baking club. On fait les randonnées sur les montagnes. J'aime le camp JFK/Lovell Camps, c'est très bien. J'espère que je peux avoir la chance de retourner l'année prochaine.

Saanen vs. Schönried

Hi, my name is Sasha. I am writing about the differences between the camps. Like we get more money, they get less money. Our rooms are bigger their rooms are smaller. We are older and they are younger.

I like both of the camps. I like Saanen because they have tacos and lots of great desserts. There were also lots of fun activities in Saanen. I like Schönried because we go to more interesting places and language classes are more fun.
